

# WELCOME, pooch!

We hope you enjoy your stay with us at Quest Chermshire on Playfield.  
Here is a quick woof around at our facilities!

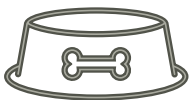

#### DOGGY BED

We have equipped your room with a doggy bed. We hope you find it as comfortable as we think you will

#### PLAY RULES

We know you want to play but please do not cry! That way everyone around the property will have an enjoyable stay too.

#### FOOD STATION

Food and water bowls can be found on your balcony for your parents to fill with your favourites.

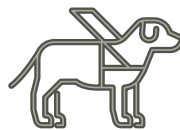

#### OUTDOOR BIN

Please ask your parents to store any business that you have done in the bins out the front of the property.

#### TREATS

We are foodies here too at Quest, so the treats are on us. Enjoy!

#### WALKIES

Yay for walkies! Please remember though that you must be always on a leash whilst you are out and about around the property.

Contact our friendly reception team by dialling '9' from your in-room phone.
